

## Clinical and Operational Effectiveness A Program Focusing on Quality Care

South TX HFMA Spring 2010

## Goals for the COE Program

Ensure VBHS and its physicians continue to provide the best care to the citizens of South Texas at an affordable cost.

### ***VBHS Mission***

***“Valley Baptist Health System is a faith based regional health system focused on improving the lives of the people it serves by providing high quality health care and medical education throughout South Texas guided by the healing and teaching ministry of Jesus Christ. “***

Objectives for the program include:

- Balanced approach with our physicians
- Sustainable model under “Healthcare Reform”
- Value-driven coordinated care
- Measurable – Progress can be monitored and tracked
